Name of Organization/Person: _____

Event Name	Event Date	Event Location

Person in Charge: _____ Contact Number: _____

Certified Personnel: _____ Certification Number: _____

(If potentially hazardous foods are being prepared, and your event is lasting more than four hours, you must have a licensed food handler on site or on call during the food service.)

Menu Items and their source:

Food Vendor Checklist

In order to serve you must have these items available and set up during the entire event. Any of these items missing will result in a temporary shutdown of your stand, until the item is attained.

Handwashing facilities: A hand washing station, as illustrated, will be provided and must be within 20 feet from where food is being prepared. It must have running water, soap from a dispenser, and paper towels. It must have a FREE FLOWING spout, no push buttons.

All food is to be prepared ON SITE, or at a pre-approved location. **FOOD CANNOT BE PREPARED IN A RESIDENTIAL KITCHEN.**

Three pans will be provided (or a three compartment sink) to wash, rinse, and sanitize food handling utensils. Utensils will be air dried. Type of sanitizer to be used: _____

All food preparation, cooking, service, and grills will be under a tent or roof. All mobile units will have screens and/or working air curtains (fans) at all open windows and doors.

A bucket or spray bottles containing sanitizer solution will be provided to clean food preparation counters.

Gloves will be worn by all people handling raw or ready-to-eat food.

A stem thermometer will be available for checking the temperature of hot food and a thermometer will be placed in all cold holding equipment.

I certify that the above information is true and correct, and that I have read and agree to abide by the local Health Department's Temporary Food Service Regulations.

Applicant's Signature: _____ Date: _____
